

LAUNDRY SOLD

MR. AL BISHOP WILL PROBABLY RETURN TO THE RIVER.

Mr. Al Bishop this morning sold the laundry he has been operating on South Third street for the past several months to Mr. Claude Baker, of the Weille store, and takes charge at once. The consideration is private.

Mr. Bishop's establishment was damaged by fire Friday night, and he concluded the laundry business was a little too strenuous for him. He will probably return to the river, although he has not quite decided.

He has received a splendid offer from Capt. Ryman of a good salary the year round, work or not, and a site at Nashville on which to build him a home, if he will take a place on the Ryman boats and Mr. Bishop will no doubt accept it.

Mr. Baker has resigned his position at Weille's and will have personal charge of the laundry.

CORONER PEAL BETTER—There was a report afloat this after-

noon to the effect that Coroner Wm. Peal had dropped dead at Bandana but this proved untrue. He has been there for his health and telephoned his wife this morning that he was better and would return tonight some time.

Mr. F. A. Hessig, who was brought here ten days ago from Dayton, O., by his brother Dr. H. Hessig, is worse. His condition is very serious.

Mrs. Ad Graham, who has been suffering from paralysis at the home of her daughter, Mrs. John Fisher, on Kentucky avenue, near Sixth street, was better today.

CLOSED ON ACCOUNT OF DEATH.

Kirby's department store, on Broadway, is closed today on account of the death of the mother of Mr. F. M. Kirby, of Columbus, Ohio, proprietor of the establishment, who owns twenty-four similar stores in different cities of the country.

THE RAINFALL—The rainfall in Paducah yesterday and up to 7 a. m. was 1.5 inches, the largest in some time.

IN THE LOCAL COURTS

Large Docket in Police Court—Little Circuit Court.

No Courts Tomorrow as it Will be Election Day.

POLICE COURT.

Judge Sanders had a big docket this morning and transacted much business in short order.

The star case was that against George Edwards, colored, who was employed by a junk dealer to buy up junk. Edwards is alleged to have gathered in some copper and valuable metal from the Kentucky Iron company without having paid for it and was held over for his mistake under a \$500 bond.

The following cases were continued over until Wednesday: Mattie Brown, colored, drunk and disorderly; Joe Simmons, white, drunk and disorderly; Harry Jones, white, breach of the peace; M. E. Collins, Jim Cummings, white, disorderly conduct; Octavia Wright and Charles Graham, Lizzie Wright and Cal Riley, Jim Buntin and Nellie Brown and Rufe Holland and Irene Parker, all colored, for immorality.

Nora Hutchinson was fined \$5 and costs for being drunk and disorderly.

Charles Grossbard, white, was fined \$1 and costs on motion of the prosecuting attorney for a breach of the peace.

Frank Logan, colored, was fined \$10 and costs for drunkenness.

John Humphries was fined \$1 and costs for being drunk.

Rodney Perkins, colored, was fined \$1 and costs for being drunk.

Charles Simpson, colored, breach of the peace, \$5 and costs.

Joe Lewis, and Mat Thomas, colored, for fighting, former fined \$30 and costs and latter dismissed.

There will be no court tomorrow, as it is election day.

CIRCUIT COURT.

There was little done in circuit court today no jury having been used and only small judgment in equity court being filed.

Arabella Britt was granted a divorce from George Britt.

Mart Laura Jones was granted a divorce from Prince Albert Jones.

In the case of Bettie Demmick against Birdie Demmick and others, a judgment for sale was filed.

Other than the filing of the three above judgments and the hearing of several motions, there was nothing important done in court today. The court will convene again Wednesday and will take up jury cases again. Tomorrow there will be no court, as it is election day.

The city was made a co-defendant in the suit of F. W. McKee against the Palmer Transfer company for damages for injuries received by a hack going off an embankment near the I. C. depot last winter.

The damage suit of Frank Lawrence against the Armour Packing company was reset for the 15th day, and the suit of Mrs. Major Ellithorpe against Hannan and Louis Donnony for \$5,000 damages was set for the same day.

SLIGHTLY BETTER.

BUT THERE IS STILL MUCH FREIGHT IN YARDS.

The condition of the local I. C. yards today is reported slightly better but the freight is still in a badly congested condition.

The freight is being moved as rapidly as possible but it seems to accumulate as fast as it is possible to have it moved. The company is doing an enormous business here and both the Tennessee and Louisville divisions are literally overrun with trains. All available engines and crews are being pressed into service to try to remedy the matter.

Barnell was on the boat when it was here last July, and was previous to that time a locomotive fireman. It is supposed he was asleep somewhere on the boat when it was burned.

Last week some one cut loose a raft of 7,000 ties belonging to the Ayer and Lord Tie company, at Brookport and the raft floated down as far as Joppa before it was caught. The agent for the company reported to headquarters here that some member of the crew of the Clyde did it in order to make a landing, and after cutting the lines did not tie the raft up again. This is denied by the Clyde owners.
